Extension Lecture

Session: 2024-25

Topic – Resume Writing

An Extension lecture on Resume Writing for Job Fair preparation was organised on 14/2/25 in Room No. 4 under Placement Cell aimed at guiding participants on crafting effective resumes to enhance their job prospects. The event was attended by 42 students.

Objective

To educate participants on the importance of a well-structured resume.

To provide insight into the key components of an effective resume.

Key Highlights

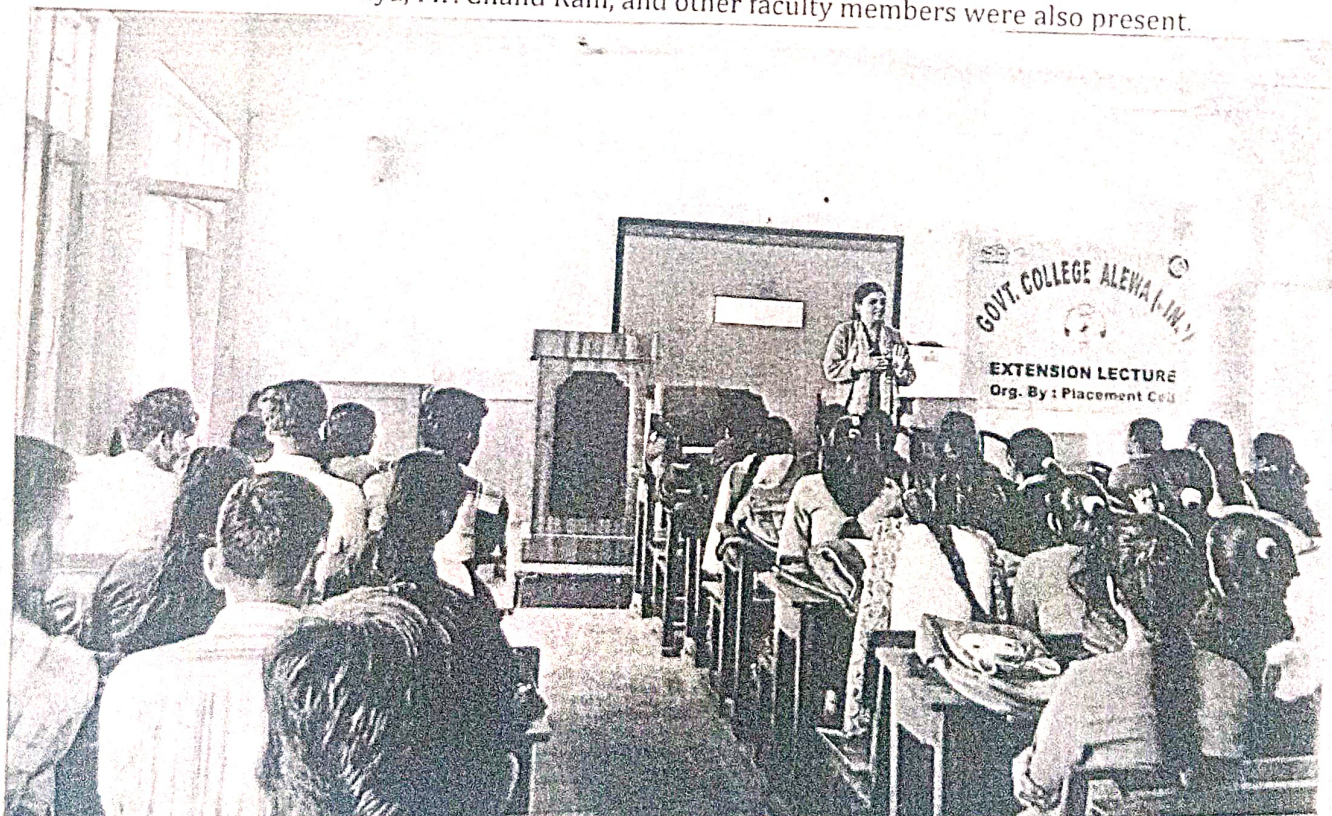

The lecture was delivered by Placement Cell In-charge Mrs. Seema Kashyap, Assistant Prof. in Govt. College Alewa. The key topics covered included:

Understanding the essential sections of a resume, including contact information, summary, skills, and experience.

Guidance on formatting errors and redundant information.

Best practices for designing a visually appealing and easy-to-read resume.

The session was very interactive, allowing participants to ask questions and share their experience. During this lecture, Mrs. Soniya, Mr. Chand Ram, and other faculty members were also present.
