Detailed Report of One-Day DGHE Sponsored National Seminar

(Hybrid Mode)

On

"Transforming Higher Education through NEP 2020: Multidisciplinary Pathways for India's Future"

Date: 18 February 2026

Organized by: (IQAC), Government College, Alewa

The Internal Quality Assurance Cell (IQAC) of Government College Alewa successfully organized a One-Day National Seminar sponsored by the Directorate of Higher Education, Haryana, Panchkula on the theme "Transforming Higher Education through NEP 2020: Multidisciplinary Pathways for India's Future" on 18 February 2026. The seminar aimed to deliberate upon the transformative aspects of the National Education Policy (NEP) 2020 and its implications for multidisciplinary education, innovation, and the future of higher education in India.

The seminar witnessed enthusiastic participation from academicians, researchers, and students from various institutions across the country. A total of 134 participants presented their research papers in different 5 technical sessions during the seminar.

Inaugural Session

The inaugural session commenced with the formal welcome of the distinguished guests and participants. **Prof. (Dr.) Ajit Singh,** Joint Director, Department of Higher Education, Haryana, graced the occasion as the Chief Guest of the inaugural session.

The keynote/resource lectures were delivered by eminent academicians. **Dr. Mahabir Narwal,** Chairperson, Department of Commerce, Kurukshetra University, Kurukshetra, delivered an insightful address highlighting the transformative vision of NEP 2020 and the need for multidisciplinary approaches in higher education institutions. He emphasized the importance of skill development, academic flexibility, and integration of research and innovation within the higher education framework.

Another resource person, Prof. (Dr.) Deepak Kumar, Department of Commerce, Indira Gandhi University, Meerpur, Rewari elaborated on the practical aspects and challenges in implementing NEP 2020 in higher education institutions. He discussed the structural reforms proposed under the policy and stressed the role of teachers, institutions, and policymakers in realizing the objectives of NEP 2020.

The speakers highlighted the importance of interdisciplinary learning, holistic education, and outcome-based education as envisaged under

the policy. The session provided valuable insights to the participants and encouraged meaningful academic discussions.

Technical Sessions

After the inaugural session, the seminar proceeded with technical sessions, where research scholars, faculty members, and students presented their research papers related to various aspects of NEP 2020 and higher education transformation.

A total of **five technical sessions** were conducted, out of which four sessions were organized in offline mode and one session was conducted online to accommodate participants who joined virtually. The technical sessions were chaired by distinguished academicians and experts in their respective fields.

During these sessions, **134 research papers were presented**, covering diverse themes such as multidisciplinary education, quality assurance in higher education, digital transformation in education, skill-based learning, research and innovation, and institutional reforms under NEP 2020.

The technical sessions witnessed active participation and scholarly discussions, enabling researchers and academicians to exchange ideas, share findings, and explore collaborative opportunities.

Valedictory Session

The seminar concluded with the valedictory session, which was graced by Dr. Rajesh Bansal, Registrar, Chaudhary Ranbir Singh University, Jind as the Chief Guest.

In his address, Dr. Rajesh Bansal appreciated the efforts of Government College Alewa and the IQAC team for organizing such a meaningful academic event. He emphasized that seminars on themes related to NEP 2020 play a crucial role in sensitizing academicians and stakeholders towards educational reforms and policy implementation.

He also encouraged the participants to actively contribute to the transformation of higher education by adopting multidisciplinary approaches, promoting research culture, and integrating innovative teaching-learning methods.

Conclusion

The seminar concluded on a positive and inspiring note with the collective resolve to contribute towards the effective implementation of NEP 2020 and to promote multidisciplinary learning in higher education institutions. The event proved to be a significant academic platform for scholars and educators to share knowledge, ideas, and

experiences related to the evolving landscape of higher education in India.

The organizers expressed their gratitude to the Directorate of Higher Education, Haryana, Panchkula, for sponsoring the seminar and providing support for its successful conduct. The IQAC team also extended sincere thanks to the Chief Guests, Resource Persons, session chairs, participants, and organizing committee members for their valuable contributions and cooperation in making the seminar a grand success.

ABOUT THE COLLEGE

Established in 2017, the college is a co-educational institution situated in a rural area, dedicated to providing inclusive and quality higher education. The institution was founded with the objective of bridging the educational gap between rural and urban regions by offering academic opportunities that are accessible, affordable, and meaningful.

The college strives to create a student-centric learning environment that promotes academic excellence, ethical values, and social responsibility. With a strong focus on holistic development, the institution encourages students to participate in academic, cultural, sports, and extension activities, enabling them to grow into confident, competent, and socially conscious individuals.

Committed to continuous improvement and innovation in teaching and learning, the college plays an active role in the educational and socio-economic development of the rural community it serves.

ABOUT THE SEMINAR

The National Seminar on "Transforming Higher Education through NEP 2020: Multidisciplinary Pathways for India's Future" aims to provide a dynamic platform for academicians, researchers, and education practitioners from diverse disciplines across the country to engage in meaningful dialogue on the transformative vision of the National Education Policy 2020.

The seminar focuses on promoting multidisciplinary and holistic education, academic flexibility, innovation, skill development, and research integration as envisioned under NEP 2020. Through scholarly discussions, paper presentations, and interactive sessions, the seminar seeks to explore strategies, challenges, and opportunities in reshaping India's higher education ecosystem to meet global standards and national aspirations.

OBJECTIVES OF THE SEMINAR

1. To explore the key reforms of NEP 2020 and their implications for transforming higher education in India.

2. To promote awareness and understanding of multidisciplinary and holistic education models proposed in NEP 2020.

3. To identify opportunities for research, innovation, and entrepreneurship emerging from NEP 2020 reforms.

4. To provide a platform for academicians and research scholars from diverse disciplines to share insights, research findings and best practices.

5. To evaluate challenges and opportunities in implementing flexible academic structures such as ABC, CBCS, and multiple entry–exit options.

SIGNIFICANCE OF THE SEMINAR

1. Enhances understanding of NEP 2020 as a transformative policy reshaping the future of higher education in India.

2. Promotes interdisciplinary and multidisciplinary thinking, enabling participants to bridge gaps between diverse academic domains.

3. Highlights the role of research, innovation, and skill development, contributing to a future-ready workforce.

4. Creates a collaborative academic platform for exchanging ideas, fostering partnerships and building capacity across institutions.

5. Strengthens national-level dialogue on developing inclusive, equitable, and globally competitive higher education systems.

SEMINAR THEMES

The National Seminar on "Transforming Higher Education through NEP 2020: Multidisciplinary Pathways for India's Future" is driving unprecedented transformations across industries, practitioners and academia. The sub themes are not limited to these topics alone, they may also encompass other relevant areas.

SUB-THEMES

- Multidisciplinary Curriculum Integration
- Technology and Artificial Intelligence in Higher Education
- Innovative Teaching–Learning Practices
- Research, Innovation and Startup Culture
- Indian Knowledge System in Higher Education
- Quality Assurance and Accreditation Reforms
- Digital Pedagogy and Virtual Learning
- Governance, Autonomy and Institutional Restructuring in Higher Education
- Academic Bank of Credits (ABC) and Multiple Entry–Exit System
- Choice Based Credit System(CBCS) and lexible Learning Pathways
- Research Culture, Funding and Policy eforms
- nnovation, Incubation and Startup cosystems in HEIs
- ntellectual Property Rights (IPR) and nowledge Commercialization
- National Research Foundation (NRF) and esearch Collaboration
- kill-Based Education and Vocational tegration
- mployability, Entrepreneurship and Career adiness
- ndustry–Academia Collaboration and prenticeship Models
- ences
- Internship, On-the-Job Training and Work-Integrated Learning
- Gender Equity and Women Empowerment through Education
- Multilingualism and Language Inclusion
- Integration of Indian Languages in Higher Education
- Ethics, Values and Constitutional Morality in Education
- Culture, Heritage and Traditional Wisdom
- Yoga, Wellness and Holistic Development
- Climate Change, Environment and Green Campuses
- Higher Education and SDGs
- Comparative Education Systems and Global Best Practices
- Role of Humanities and Social Sciences in NEP 2020
- Public Administration, Governance and Educational Leadership
- Ethics, Law and Social Responsibility
- Multidisciplinary Approaches in Health and Life Sciences
- Biotechnology, Nanotechnology and Emerging Sciences
- Mental Health, Well-being and Student Support Systems
- Sports, Physical Education and Performance
